Honorable Allen W. Dulles
Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

Please let me know if you have plans for a postal financial sub-station in the new C.I.A. Building.

If so, I am very anxious to have this placed under the jurisdiction of the local postmaster rather than being supervised by the Washington City Post Office. I am sure you would agree local supervision and local resident employees would result in better service to the Agency.

Your assistance in this matter will be personally appreciated. Please keep me aware of any developments.

With best wishes, I am

Sincerely yours,

/s/

Joel T. Broyhill, M. C.
